

Nerinx Hall A+ Schools Program Agreement

Student Name _____

Year of Graduation _____

I wish to participate in the A+ Program at Nerinx Hall. Both my parents and I have read the A+ student manual provided by my high school, and we understand and agree to the conditions for eligibility.

The guidelines for eligibility are:

1. Attend a designated A+ School for three consecutive years immediately prior to high school graduation;

The following requirement must be met for a four-year span and by established deadlines:

2. Graduate from high school with a non-weighted GPA of 2.5 or higher on a 4.0 scale
3. Graduate from high school with at least 95% attendance record
4. Perform 50 hours of unpaid tutoring or mentoring for other students
5. Maintain a record of good citizenship (see manual for details)
6. ACT Math Score of 15 – 17 based on GPA (see manual for details)
7. During my senior year, my parents and I will file the FAFSA (documented, good faith effort to secure all available federal post-secondary funds that do not require repayment)

Students must sign this agreement no later than September 30th of senior year.

The A+ program may provide these educational incentives: 1) provided state funds are appropriated by the legislature or 2) subject to state funding approval. Funding is not the responsibility of Nerinx Hall.

It is the responsibility of the student/parent to be aware of the requirements of the program and the status of the student towards successful A+ certification.
